ALL-NEW ISUZU
D-MAX

DISCOVER THE NEW PRIDE

ADAS
with 3D Imaging Stereo Camera

PRIDE OF DISTINCTIVE DESIGN

ALL NEW RIDE. ALL NEW PRIDE.

With distinctive design, effortless comfort, and unrivalled technology, ALL-NEW ISUZU D-MAX takes you to the next level of automotive, where you can discover your new pride in every journey. Designed to make you proud at first sight, ALL-NEW ISUZU D-MAX comes with bold but emotional appearance. From striking Bi-LED headlamps to sophisticated Dual-Sonic Taillamps and modernised 18" wheels, giving it an assertive yet superb look that will catch all eyes.

- **Bi-LED Headlamps with Integrated Daytime Running Lights** illuminate further and wider for maximum visibility with auto on/off
- **Multifunction Daylights** enhance ultimate safety and luxury
- **Front Bumper Cladding** uplifts sportish look and protect the bumper from scratches and scuffs
- **Front Grille** adds up bold and aggressive style
- **Integrated Rear Bumper** new one-piece design for more dynamic appearance
- **18" Alloy Wheels In Matte Black** reflect tough and elegant look in every angle
- **Overfender Decoration** adds up superb style and attraction
- **Cargo Extender and Bedliner** maximize the load capacity with extra protection
- **Dual-Sonic LED Taillamps** provide improved visibility and safety
- **Rear Fog Lamp** enhance safety by revealing the position of a vehicle in the limited visibility conditions

PRIDE OF SUPERIOR COMFORT

Let your dignity shine from the inside. ALL-NEW ISUZU D-MAX provides spacious and sumptuous cabin with Sharp Horizontal Layers. With the use of premium materials in all elements, class-leading entertainment system and Usability Design concept, your journey can never be more desirable.

- **Wider Cabin** with wider headroom and legroom for ultimate convenience and comfort
- **Multi-functional Steering Wheel** with tilt and telescopic adjustment for the perfect driving position
- **4.2 Smart MID** ingeniously designed to display various information including telephone and entertainment system with TFT technology for clearer visibility
- **9" Infotainment Display** with HD touchscreen easy to use with various features including Apple CarPlay and Android Auto, with multi-tasking system to display two functions simultaneously
- **Dual-Zone Climate Control** allows the driver and front-seat passenger to set individual temperature

Automatic Dimming Rear View Mirror

- **AVEC (Anti Vibration Elastic Comfort) Front Seats** help decrease tiredness with 8-way electrically adjustable driver's seat
- **Multi-Purpose Space** with 10 bottle and cup holders
- **8-Speaker Sound System** with Dynamic Surround Sound technology
- **Rear Seat Air Vents** expand cool and comfort throughout the cabin

NEW!
3.0 DdI
BLUE POWER

1.9 DdI
BLUE POWER
GEN 2

New! 3.0 DdI Blue Power

190hp at 3,600 rpm with 450 Nm
Torque at 1,600 - 2,600 rpm

1.9 DdI Blue Power

150hp at 3,600 rpm with 350 Nm
Torque at 1,800 - 2,600 rpm

Great power comes with greater efficiency. As the world leader in diesel engineering, ALL NEW ISUZU D-MAX engines deliver uncompromising performance while meeting the latest emissions standards and boost fuel economy even further with improved turbocharger response, precise fuel injection control, and low engine noise.

6-Speed Automatic Transmission with Rev Tronic Mode

- Allow manual gear change with precise and quick response

Terrain Command

- Fast and accurately switch from 2 to 4 - wheel drive to suit all road conditions

ISUZU Dynamic Drive Platform

- Innovative technology which combines body structure, chassis, engine, and suspension to work in perfect harmony

800mm water wading capacity

- Leave your worries behind when crossing streams or flooded areas

PRIDE OF SUPERB PERFORMANCE

EURO 4 Emissions Standards
Designed to meet with the world-class exhaust emissions standards to minimizing its impact on the environment

PRIDE OF EXCEPTIONAL SAFETY & DURABILITY

ADAS
with 3D Imaging Stereo Camera

ISUZU MATRIX SAFETY INTELLIGENCE

Reach your desired destinations with the highest level of confidence. ALL-NEW ISUZU D-MAX is fully equipped with the most advanced safety technology designed to integrate all safety systems to work together as one. With the Advanced Driver Assistance Systems (ADAS) by innovation of 3D Imaging Stereo Camera - the dual front camera, ALL-NEW ISUZU D-MAX comes with 2 radars and 8 sensors provide accuracy and precisely monitoring and detecting road lines and surroundings to optimize your control, comfort, and convenience.

- Full-Speed Range Adaptive Cruise Control (ACC) with Stop and Go Function

- Lane Departure Warning (LDW)

- Forward Collision Warning (FCW)

- Automatic High Beam (AHB)

- Autonomous Emergency Braking (AEB)

- Turn Assist with Autonomous Emergency Braking (TA with AEB)

- Pedal Misapplication Mitigation (PMM)
- Blind Spot Monitoring (BSM)
- Multi Collision Brake (MCB)

- Rear Cross Traffic Alert (RCTA)
- Parking Aid System
- Manual Speed Limiter (MSL)

Drive at ease with ultimate peace of mind. ALL-NEW ISUZU D-MAX are packed with full ranges of safety features that ingeniously prevent and protect you and your family from dangerous situations - whenever and wherever it takes.

Active & Passive Safety: safety systems to prevent and protect during accident

DURABILITY

- Redesigned body structure using Ultra-High Tensile steel
- 23% stronger chassis, molded with reinforced steel to support heavy load and tough ride
- Cross Member enhances durability
- Timing Gear & Chain designed to last the life of your engine
- Melt-in Liner cylinder block hardened by induction wave - ISUZU's unique identity

Built-in Rear View Camera with Lane Guide

Front Disc Brakes (320 mm)

Electronic Brake-force Distribution (EBD)

Emergency Stop Signal (ESS)

Surrounding SRS Airbags

Crash Unlock

ABS EBD
ESC TCS

PRIDE OF UNIQUE INNOVATIVE TECHNOLOGY

5-Star ASEAN NCAP
Safety Standard

Taking pride has never been so advanced. ALL-NEW ISUZU D-MAX is fully equipped with latest class-leading technologies to make your journey even more gratifying.

- **Welcome Light** automatically lights up when approaching the vehicle within 2 metres
- **Walk Away Auto Lock** automatically locks the door when you are 3 metres away from the vehicle
- **Follow Me Home** keeps the headlights on for 30 seconds after the engine's off
- **Auto Light Off** turns off the headlights when the engine's off and the door's opened
- **IR Cut Windshield** filters infrared, UVA and UVB to help decreasing cabin temperature
- **Rain Sensing Wiper** with Integrated Wiper Blade
- **Remote Engine Start** remotely start your car engine within the range of 20 metres
